

**Resolution**  
**For Adoption of the Hazard Mitigation Plan for the H-GAC Region**

WHEREAS, certain areas of City of Pattison are subject to periodic flooding and other natural hazards with the potential to cause damage to people and properties within the area; and

WHEREAS, the City of Pattison desires to prepare and mitigate for such circumstances; and

WHEREAS, under the Disaster Mitigation Act of 2000, the United States Federal Emergency Management Agency (FEMA) requires that local jurisdictions have in place a FEMA-approved Hazard Mitigation Action Plan as a condition of receipt of certain future Federal mitigation funding after November 1, 2004; and

WHEREAS, the cities and counties in the H-GAC Region, in order to meet this requirement, have initiated development of a regional, multi-jurisdictional Hazard Mitigation Plan, including the City of Pattison;

**NOW, therefore, be it resolved by the City Council of the City of Pattison that:**

The Houston-Galveston Area Council of Governments - Regional Hazard Mitigation Plan is adopted; and

Brian Nichols, Waller County Emergency Management Coordinator, is vested with the responsibility, authority, and the means to:

- (a) Inform all concerned parties of this action.
- (b) Develop an addendum to this Hazard Mitigation Plan if the town's unique situation warrants such an addendum.

Further the Council appoints Brian Nichols, Waller County Emergency Management Coordinator, to assure that the Hazard Mitigation Plan is reviewed at least annually and that any needed adjustment to the City of Pattison's addendum to the Hazard Mitigation Plan is developed and presented to the City of Pattison Council for consideration.

The Council agrees to take such other official action as may be reasonably necessary to carry out the objectives of the Hazard Mitigation Plan.
